Dear Michelle:

Thank you for your enlightening presentations on The Power of Personal Leadership and Attitude Makes the Difference at our People Day sessions in Edmonton on October 23, 2007, and at Lethbridge on October 25, 2007.

I appreciated your ability to provide thoughts on Leadership and Values in such an entertaining and engaging manner.

Again, I thank you, on behalf of Alberta Environment, for sharing your insights and 'hot ideas' with us.

Sincerely,

C. Peter Watson, P.Eng.
