Michelle and Belinda,

I just wanted to thank you both for your efforts that made our workshop a great success. I think it was enjoyed by all and we were really impressed with your speaking expertise, style and use of humour, Michelle. The topic was great for our retreat's theme and it really hit home with I'm sure the majority of participants - and definitely with me personally.

Belinda, you were very helpful and patient with us while we were researching options. Your follow up through the whole process was prompt and professional.

We are doing a formal feedback survey with the participants on all aspects of the retreat and will forward any other feedback on the presentation at this time.

I would definitely recommend Michelle Ray as a speaker and using Speakers' Spotlight and look forward to working with you both again in the future.

Sincerely,
Debbie Dakin

Hi Michelle,

The pleasure was ours and from talking to the team after, you definitely met our objectives of inspiring them and giving them food for thought when they approach all areas of their life.

Your presentation was informative, insightful, and engaging and your personal examples (especially Stan) illustrated the importance of personal leadership.

Sincerely,
Charisse
