TO WHOM IT MAY CONCERN:

Michelle Ray is an excellent speaker. She has the unique ability to connect with audiences in a way that makes them feel engaged, energized and motivated. She is highly professional and a real joy to work with. She takes the time to really understand her audience and frame her remarks in language that is meaningful and specific to them - our team came away from Michelle's keynote speech feeling heard and understood. At the same time, they had direction on ways to make positive changes in their approach. So, she was able to entertain at the same time as having impact - thereby fulfilling our key goals for the keynote. We highly recommend Michelle.

Yours truly,
