RE: Testimonial for Michelle Ray, Certified Speaking Professional

Michelle,

Your presentation and workshop were exceptional. I am thrilled you were able to attend the BBQ and dance as well.

You certainly made the somewhat heavy topic of interpersonal communication and coping skills fun, easy to understand, non-threatening and useful. I spoke with Belinda moments ago and expressed many positive sentiments. I would be happy to speak to prospective clients looking for a speaker and seeking opinions.

It's been an absolute pleasure and honour to have worked with you and to get to know you just a little bit. Congratulations on your current success and I wish you much joy as you continue on a path that is sure to be highly rewarding.

I have enclosed Robert Jorssen's Testimonial below.

With Much Gratitude and Thanks,

Anitra
