

Testimonial Statement

We asked Michelle to be the last speaker at our Immunization Conference. We were hoping for a session that would energize and motivate conference participants as they left. Michelle's presentation certainly met, and in many ways exceeded our expectations. Almost every participant rated the presentation "very useful" or "useful" in their practice.

Following are comments from the conference participants about what they liked most about the Michelle's presentation:

- "Very upbeat presentation - a nice way to end the conference. Congratulations. I'm leaving the conference energized not drained/tired. Thank you!"
- "Very uplifting and inspiring. Thank you!"
- "Great fun - I loved her stories and quotes"
- "Awesome"
- "Able to relax and enjoy and use info professionally and personally"
- "Vibrant. I feel privileged to be here"
