Dear Michelle,

**RETAIL MEAT INDUSTRY CONFERENCE 2004**

On behalf of Retail Meat New Zealand, I wish to formally thank you for speaking at our Retail Meat Industry Conference held in Wellington between 12 and 13 March 2004.

This was one of our most successful conferences on record, with over 160 delegates and partners attending. The high quality of presentations delivered by our speakers was a highlight of the conference and attributed towards its success.

We were especially pleased with your invaluable presentation at conference and would definitely recommend your services to anyone organising future business events. Delegates quickly warmed to your bright personality and were inspired by the ideas raised in the [www.I'm-Not-Happy.com](http://www.I'm-Not-Happy.com) presentation.

The Retail Meat Industry Conference has become an important fixture for organisations involved in the retail meat sector and provides delegates, sponsors and exhibitors with the opportunity to listen to prominent speakers discuss relevant and stimulating topics as well as meet on an informal basis.

Once again, thank you for taking the time to speak at our conference and I wish you well in your upcoming events.

Yours sincerely,

Ken Wilson
