To Whom it May Concern:

Michelle Ray was contracted to do the closing Keynote address for the Human Resources Management Association of Manitoba's bi-annual conference entitled "*HR Unlimited*" that took place at the Winnipeg Convention Centre in Winnipeg Manitoba on October 6 & 7, 2004.

The conference attracted over 250 human resource professions from Manitoba and across Canada. The feedback received from the delegates on Michelle Ray's presentation was very positive. They found her topic "How to Win Friends and Farewell People" enlightening and a positive way to end the conference.

Our company has worked with Michelle Ray on numerous events over the past several years. Her presentation style, energy and enthusiasm are contagious and people leave feeling very positive and upbeat. We have recommended her to other clients and will continue to do so when the opportunity presents itself.

Sincerely,
STRAUSS EVENT & ASSOCIATION MANAGEMENT
